Welcome to the McKeesport Band, Guard, and Booster Family! Our program supports the efforts of both the musicians and the instructors, as well as help these talented children become champions in every aspect of their lives.

One way we show our support is through fundraising. This helps keep the organization going, as well as make sure the instructors and students have what they need. It also helps to fund your child's student account with the boosters.

Each student is provided an account. This account keeps track of the student's portion of money raised through fundraising. This money can be used for various things throughout the year. (banquet tickets, trips, Reflections Photography, and certain attire sales). Next year, the Music Department will be hosting the **Disney World** trip. It can be costly, but definitely worth it. Now would be the time to start filling your child's account.

We also would like to quickly explain our "points" system. Each year, the students in the band, orchestra, and color guard are responsible for raising **Money Points** and **Activity Points**. **Money Points** are what is raised through Fundraising. The Winter Guard students are to raise \$100 to be given to the booster program. Fundraised money is split 50/50 with boosters until all \$100 is raised. After that, your child will receive 100% of their fundraised money. **Activity Points** are points raised through donations and volunteering (Chaperoning/Providing lunches on competition days/help at the March Winter Guard Home Show..etc). Winter Guard is required to raise 500 points. If your child raises all of their required points for all four years in the organization, they will qualify for the Booster Scholarship. If you have any questions, please feel free to contact us at [tigerbogboosters@gmail.com](mailto:tigerbogboosters@gmail.com). Also, make sure you get put on our weekly email list for all info by emailing us at the above address.

Sincerely,

The McKeesport Band, Orchestra, and Guard Boosters
