

# **Chaperones**

**We will need chaperones for each football game, all competitions, and parades.**

**Advantages to being a chaperone are: ACTIVITY POINTS, free admission to football game or competition at which you chaperone, seeing your child with the band and taking pictures, and helping with equipment/pit instruments for the field show.**

**Please note, only chaperones are allowed in the band area during football games and competitions. *Parents may not visit their children during this time.***

**To become a chaperone, all you must do is obtain your PA Child Abuse Clearance and PA Criminal Record Check. These are available to complete online and are free of charge for volunteers.**

**Follow instructions to complete forms and print results. Make sure you complete the forms as a volunteer (for McKeesport Tiger Band Boosters) in order to avoid any cost to you. Return to me, Lisa Boynton, as soon as possible. As soon as your clearances are in, you may volunteer to chaperone.**

**Thank you in advance, I look forward to a fantastic year of new beginnings for the 2016-2017 McKeesport Tiger Band season!**
