

Chaperones

- Chaperones will be needed for each football game, all competitions (band, guard, drum), and parades.
- Chaperones are to remain with the members at all times at a show.
- Advantages to being a chaperone are: ACTIVITY POINTS, free admission to football games or competition at which you chaperone, seeing your child with the band and taking pictures, and helping with equipment/pit instruments for the field show.
- Please note, only chaperones are allowed in the band area during football games and competitions. Parents may not visit their children during this time.
- To become a chaperone, all you must do is obtain your PA Child Abuse clearance and PA Criminal Record Check.
- Make sure you complete the forms as a volunteer (for McKeesport Tiger Band Boosters) in order to avoid any cost to you. Return to the Boosters, as soon as possible. As soon as your clearance are in, you may volunteer to chaperone.
