

points requirements per year

The boosters ask that each student contribute \$100 per year to the booster account (money points). This helps the band program to continue by paying instructors, buying necessary equipment, providing meals, etc. This \$100 may be paid up front or it may be raised by participation in our many fundraisers. However, instead of the boosters "taking" the first \$100 of your fundraising, your fundraising profit is split between the boosters and your student account until the \$100 is met.

The boosters also ask that each student earns 500 activity points. Activity points are earned by donations of food, supplies and TIME!!! Each time you donate items, chaperone, work the concession stand, etc., you will earn activity points. Moms, Dads, Grandmas, Grandpas, Aunts, Uncles, Friends can earn activity points for your child by volunteering.

Full Year Band (Marching & Concert)	-----\$100 Money Points
	500 Activity Points*
