Welcome to the McKeesport Band, Orchestra, Guard Booster Family!

We would like to take this time to let you know of some of the wonderful things the boosters do for the organization. As with any other school activity, we rely heavily on donations and help from parents, guardians, friends, family, and the community. We hope that you can join us in keeping our children moving in the right direction! Here are just a few of the things that we do...

- Provide help monetarily for the band, orchestra, and guard
- Provide the funds for costumes, props, tuxedo and uniform upkeep.
- Provide food for the children when they travel to compete or entertain.
- Provide fundraising opportunities so that our children can have help paying for trips, apparel, banquets, shoes, uniform accessories....etc
- We honor our graduating Seniors by purchasing custom plaques and posters
- Provide 3 Scholarships to qualifying seniors. (Band, Orchestra, Guard)
- Aid instructors in having their needs met for the students
- Put together our annual banquet
- Provide screened chaperones to oversee the children
- Purchased embroidered polos to wear and show their school spirit
- The annual Night at the Races
- Aid the music department with fundraising for the 2018 trip to NYC
- Provide food and help during the two weeks of band camp
- PLUS SOOOO MUCH MORE!

We know that everyone is on the go with work and family, but we can't do all this for our children without your help. Even the smallest gesture makes a BIG difference. If you have any questions, we can be reached at tigerbogboosters@gmail.com

Thanks!

The McKeesport Band, Orchestra, Guard Boosters
